## PATIENTS PREPARING FOR MRI STUDY

Please visit [OpenMRISolutions.com](http://OpenMRISolutions.com) to print and fill out patient questionnaires. Follow your normal daily routine and continue any prescribed medication unless your doctor has instructed otherwise. Please bring all insurance information and a photo ID. Also, please bring all previous film such as X-rays, CT or MRI of the area being studied. Be sure to tell the technologist if you have any of the following: Pacemakers, metal fragments in your body (surgical staples, dental bridges, metal aneurysm clips, shrapnel, hearing aids, or other metal implants) or if you think you might be pregnant.
